ASST. SECRY. 3294 E 18 NOV 1941 REVENUE DEPARTMENT

Mangalore,
Dated 5th November, 1941.

From

Right Revd. Dr. V. R. Fernandes,
Lord Bishop of Mangalore,
President, The South Kanara Flood
Relief Committee, Mangalore.

To

The Secretary,
The Government of Madras,
Revenue Department,
Madras.

S i r,

Subject:- Flood Relief in the South Kanara District, 1941, and Presentation of mementoes to some members of the District Collector's Office for their valuable services.

The South Kanara Flood Relief Committee, 1941, was greatly helped in organizing its operations by some members of the staff of the District Collector's Office, Mangalore, under the orders of the Collector. Indeed but for their hearty services rendered at considerable self-sacrifice, sitting up late after the tired day in the office and preparing with arduous labour the valuable data to guide the distribution of relief, it would not have been possible for the Committee to fulfil its purpose in the satisfactory and successful manner that it did. A copy of the final report is attached for information.

At its final meeting, on the 20th August, 1941, the Committee out of its free and good will recorded a resolution in appreciation of the help rendered by these members of the Collector's office staff and also decided that "five fountain-pens or other suitable token articles be given as memento for the valuable services rendered by Messrs. (1) K. Madhavjee, (2) K. Sunder Rau,

(3) T.M. D'Sa, (4) Raman Nair, (5) Miss. M. D'Souza.

The District Collector, while appreciating the spirit behind the presentation of the fountain-pens, feels that the Government Servants' Conduct Rules prevent the Relief Committee's wish being fulfilled. The Committee, therefore, requests the Government to be pleased to consider the matter sympathetically and allow on this occasion, as a special case, the five members of the office staff, named above, to receive the fountain-pens as mementoes of their helpful connection with a piece of humanitarian activity. The District Collector also may accordingly be informed. The Committee will be highly gratified at and thankful for the concession shown.

I have the honour to be,
Sir,
Your most obedient Servant

V. Fernandes
President,
South Kanara Flood Relief Committee,
Mangalore.

REPORT

The Working Committee of the South Kanara Flood Relief Committee, have the pleasure to submit the following brief report of its recent work (June, July and August 1941), together with the Statement of Account and Contribution List, for the information of its contributors, sympathisers and the general public.

First Efforts—

The floods in early June were sudden and devastating. Report of the grievous havoc in the several villages of the Mangalore, Kasargod, Karkal and Puttur Taluks reached the headquarters through various sources. An emergent meeting of the South Kanara Flood Relief Committee (formed during the previous floods in 1923) was called in the Collector's Office on the 18th June 1941, to concert measures of relief to the sufferers, from Rs. 5,932—10—9 at its disposal. The serious situation caused by the floods was explained by the District Collector suggesting also how best the efforts and resources of the various public-spirited organizations and the Government, could be co-ordinated to the advantage of the largest number of sufferers. The Committee sanctioned immediately Rs. 5,000 (Rupees five thousand), from out of its main fund for making small grants to people who had lost their homes and personal belongings in the floods, enabling them to purchase cloth, utensils and other immediate necessaries to help them to recover from the shock and rehabilitate themselves.

2. Appeal for funds—

As the funds in charge of the Committee were limited and too insufficient to meet the demand, a meeting of the citizens of Mangalore was called in the Government College Hall on the 24th June to acquaint the public of the gravity of the situation and appeal for their support in mitigating it. Individual appeals were also sent to many important officials and non-officials for enlisting their sympathy. Rs. 1,192—9—0 were thereby got for which the Committee is grateful to all who generously responded to the appeal.

3. Organized Relief—

A Working Committee of 8 members was formed to carry out promptly and efficiently the purpose of the fund. They met almost daily at the Collector's Office to receive the latest reports from the Revenue Officials about the extent and nature of the distress in their respective areas and in what form the immediate relief should be. These reports were scrutinized by the District Collector, and placed before the Committee who sanctioned cash grants raging from Rs. 2 to Rs. 10 according to the needs of each case. The Committee which was aware of the limited funds at its command, had to face acute distress. That was the utmost it could do under the circumstances.

The relief was distributed through suitable Honorary Workers with the co-operation and guidance of the village and other revenue officials on the spot. 20 Honorary Workers took part in this cash-grant distribution work. After distribution, the paid-lists were duly certified by the Honorary Workers and village officials as to the payments made and then sent to the Honorary Secretary of the Fund for verification and record.

The task of the Honorary Workers was a difficult one, but was cheerfully done. Judging from the result, the Committee has ample reason to be satisfied with, and grateful for their labours of love. It is appropriate that we should mention their names here so that they may earn the gratitude of the public and appreciation of their honorary services. They are :—1) Sri H. Krishnappa Thingalaya, 2) Sri N. Shamaraya Naik, 3) Sri B. Damodar Baliga, B.A., 4) Sri M. N. Chowta, B.A., B.L., 5) Sri Ullal Subraya Kini, 6) Sri Ullal Anantha Kini, 7) Sri H. Damodar Kamath, 8) Sri K. Vasudeva Rao, 9) Sri K. H. Ebrahim Saheb, 10) Sri Jathappa Rai, 11) Sri K. Kinhanna Rai, 12) Sri Konchady Keshava Shenoy, 13) Sri G. Kogga Prabhu, 14) Sri P. Apparaya Bhat, 15) Sri B. Venkatesh Kamath, 16) Sri Damodar Krishna Prabhu, 17) Sri T. Ganapathy Kamath, 18) Sri M. Krishnaya Shetty 19) Sri Belthangady Mangesh Rau. 20) Sri N. S. Kille.

The following statement will give a picture of the cash grants thus made :—

	No. of village affected	No. of families helped	Cash grants paid
1) Mangalore Taluk	29	669	Rs. 2,516
2) Kasargod Taluk	33	900	2,954
3) Karkal Taluk	12	121	359
4) Puttur Taluk	6	74	248
Total	80	1764	Rs. 6,077

4. Government Aid—

The Government, it must be stated, supplemented the above with an equal grant, besides supplying building materials (bamboos, cadjan leaves, etc.) to erect temporary shelters to the families whose houses had either partially or wholly been damaged.

5. Conclusion—

In addition to its gratitude to all contributors, the Committee has great pleasure to convey its sense of thankfulness especially to M. V. Subrahmanyan, Esq., I. C. S., District Collector, for his sympathetic and assiduous co-operation and guidance at the sacrifice of health and time, and to the Honorary Workers for their keen interest

and trouble at great self-sacrifice. But for the help from these quarters, the Committee's efforts could not have been as successful and satisfactory as they have been.

Above all, we are grateful to Almighty for lending His helping hand to this humanitarian work.

V. R. Fernandes,
Bishop of Mangalore – President.

Honorary Secretary.
